Dr. Wannon is a clinical psychologist in private practice and an adjunct professor of psychology at several area universities. He works extensively with singles and couples who struggle in relationships with issues of conflict, sexuality and communication.

The goal of the program is to help individuals focus on what unique set of feelings and needs they bring into a relationship and how these can enhance or burden their own relationship goals.

*You are invited to bring a bag lunch. No Reservations Required.
The event is free!*
